

# GLI INSIEMI

Unisci con una freccia ogni oggetto dell'insieme ad un blocchetto nero, come riportato nell'esempio:

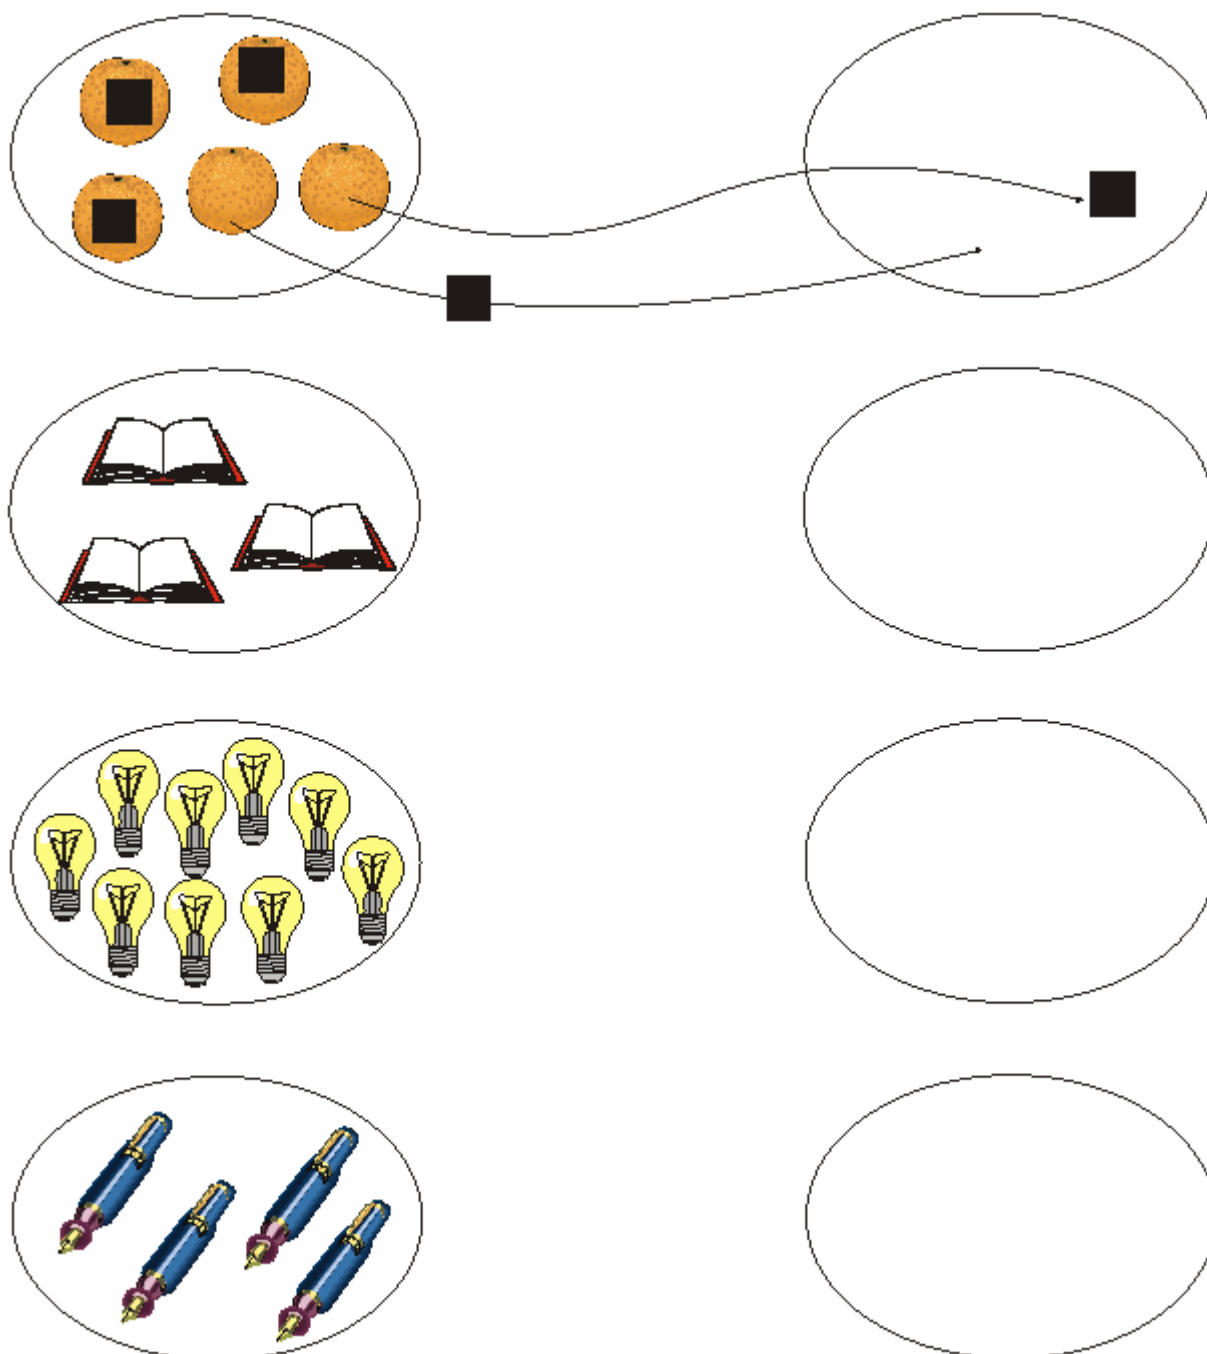

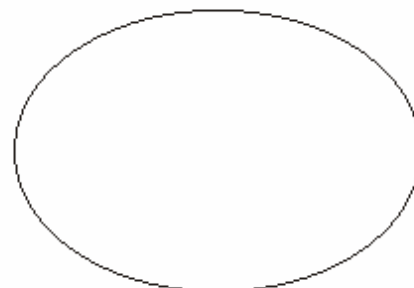

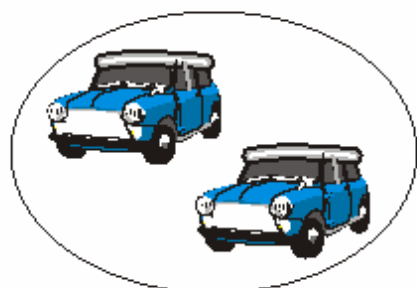

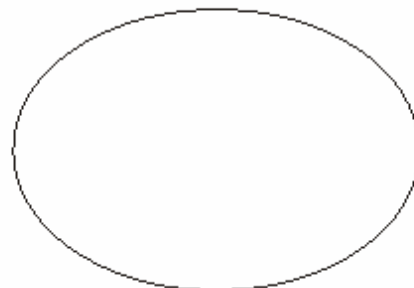

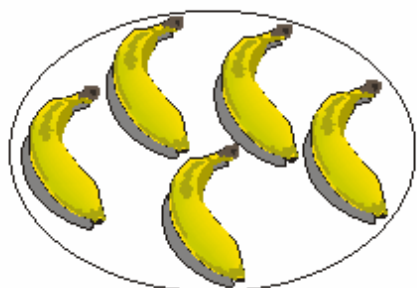

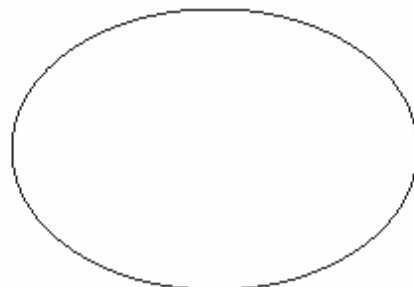

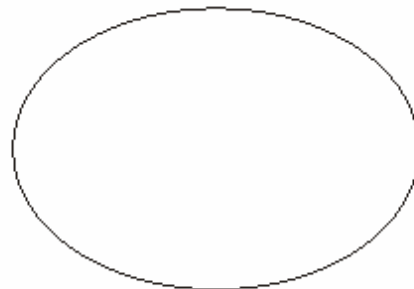

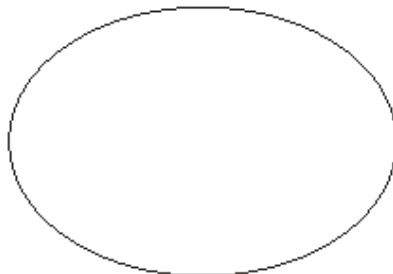

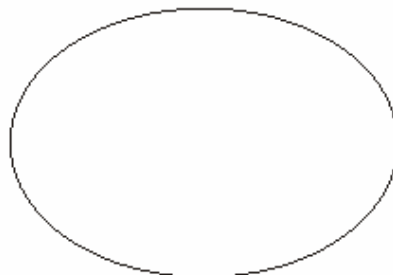

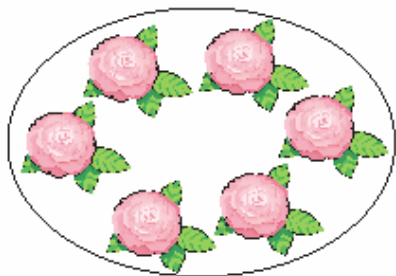

Sovrapponi le calamite o i blocchetti neri su ogni oggetto dell'insieme, poi forma un insieme di blocchetti della medesima quantità.

Si veda l'esempio:

Per ogni oggetto disegna e colora, nell'insieme vuoto, un blocchetto nero, come nell'esempio:
